LARGE & SMALL OBVERSES

Listed below are Obverses of a new wood that has recently surfaced.

This wood was issued in 1978 - for the C.A.H.A. Annual Meeting held in Regina (Tentative Cat. No. - 7800-23). On receipt of the above, these double obverses reminded me of some other issues listed in my book, as follows:

Page 45 - Cat. 5102-1 Bayfield Pioneer 76, both obverses
Page 209 - Cat. 7960-1 Whitewood, Plumb Esso Service, both obverses

In addition to the above there are several issues using only one of these obverses. Below are LARGE PRINT obverses only:

Page 6	- Cat. 2450-1	Halifax	- Bligh Radio
" 76	- " 5500-13	London	- Wellington Square

" 179	- " 6900-14	Winnipeg	- St James Coin Mart

" 229	- " 8140-35	Calgary	- Telstar Drugs
" 235	- " 8300-12	Edmonton	- McBain Camera

Membership dues in the Canadian Association of Wooden Money Collectors is \$5.00 per calendar year and should be sent to our Secretary-Treasurer, Bruce Watt, 1153 Northridge Street, Oshawa, Ontario, L1G 3P3.

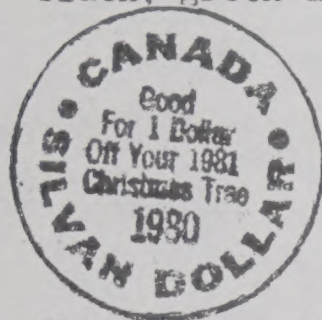

OK, now that you have read so far - how about doing some double checking of your woods??? I am wondering if there may be some others that use both obverses. I would suggest that you check your single obverses to see if they agree with the book - If you should find any changes or corrections to the above lists, I certainly would like to hear from you. From the above listings it appears that the Large Print is the most prominent.

Thank you. Norman E. Wells, P. O. Box 943, Peterborough, Ont., K9J 7A5.
(The author wishes to express his thanks to Louis H. "Scoop" Lewry)

NEW ISSUES

The wood shown above was issued in August by member Glenn B. Rodger, Comp. 122, Site 4, S.S. # 3, Fredericton, N. B., E3B 5W9. It is printed in three colours: black, green and red. This wood is for sale at 50¢ each plus SASE, from Glenn.

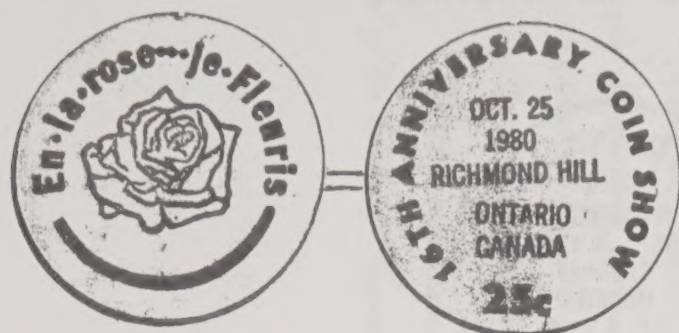

This wood, printed in black, was issued by Mr. Ed Hunter of Mt. Lehman, B. C. Earlier this year, Mr. Hunter ordered 1000 Silvan Dollars from a U. S. wooden money manufacturer, for his tree farm customers. He intended to give them out to customers this coming Christmas "just for fun, and so that they could get \$1 off their tree when they returned for their 1981 tree." But, according to Mr. Hunter, "when I'd gone through the whole thing - planning, ordering, shipping, duty, exchange, etc., the whole order was INCORRECTLY PRINTED! As I run a tree farm and nursery, I wanted silvan dollars, of course - and anyone can see they are not silver (sliver maybe, but not silver)." The whole order was redone correctly and Mr. Hunter was advised by the printer to keep the misprints and use them as he wished. He has sent us a donation of 200 of the misprints to give out to C.A.W.M.C. members. He states, "Silvan means 'of wood' or 'of trees'. As we grow and sell trees, the word silvan seems appropriate." He will send one of the silvan dollars to anyone sending him a SASE and two 17¢ stamps, or he will send a pair (one "silvan dollar" and one "silver dollar") for a SASE and 50¢ or three 17¢ stamps. He may be contacted via Hunters' Evergreen trees, 28875 Marsh Rd., Mt. Lehman, B. C., VOX 1V0.

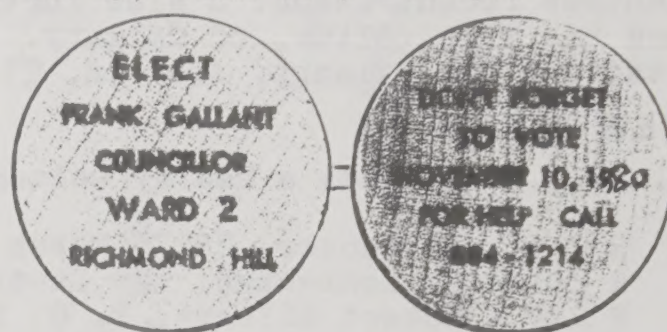

MINI-ANECDOTE

It had been intended to write the December edition of Timber Talk last weekend, but your Editor became distracted by the sight of one of the old historic landmarks of the town of High River burning down, less than a block from my apartment. Never a dull moment, it seems.

MORE NEW WOODS

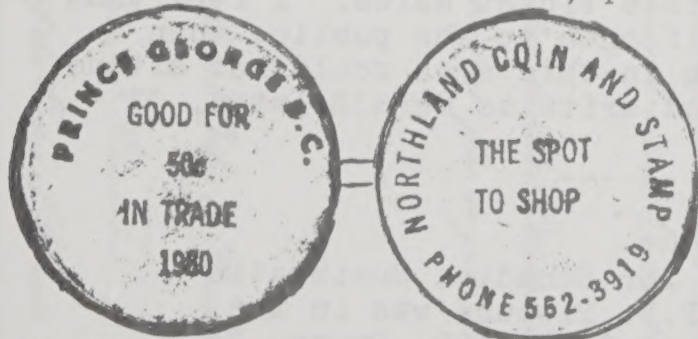

New wood available from Norm Belsten, 37 Neames Cres., Downsview, Ontario are the 1980 coin show woods of Richmond Hill Coin Club (in green) and Thistletown Coin & Stamp Club (in black) shown above. Cost is 25¢ each or 5 for \$1.

Other new wood from Richmond Hill, Ont. are a new issue of the Dairy Queen 10441 Yonge Street, Richmond Hill, at 25¢ each or 5 for \$1 plus SASE, and a new issue of personal wood by member Frank Gallant for his campaign for town councillor, at the same price and also available from the Dairy Queen address.

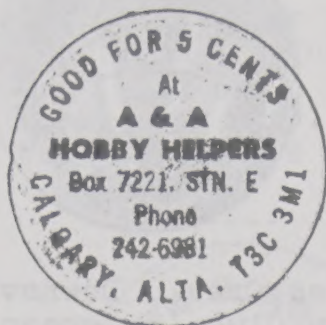

Depicted here is the official wood issued October 25 for the Atlantic Provinces Numismatic Association's Fall Rally in Moncton. 500 were printed in black. They are available from Geoff Bell, 395 Highfield Street, Moncton, N. B., E1C 5R7, at a cost of two for \$1.00, plus 25¢ postage.

Member J. Douglas Ferguson advises of some new issues. These are (1) a Northland Coin and Stamp issue in red from Prince George, B. C.; (2) a reissue of Wells # 9380-1, of which Doug says, "The Elcrow issue is a new re-order by the company - note the different type used for the printing about the edge." and (3) - in Doug's own words, "Strangely, MacMillan Bloedel of Port Alberni, B.C., have a second (reorder) issue of their big one as shown in Norm's book (Wells

no 9650-1) and it is similarly different from the original."

Another recent issue: a blue fortieth anniversary issue from member Alf Wrigley and his wife, Alice, of Calgary. These are available from Alf at Box 7221, Station "E", Calgary, Alberta, T3C 3M1, for 25¢ each, plus SASE.

WOOD SHOW?

A note from Norm Belsten asks your Editor to publish the information that the Toronto-area wooden money collectors are trying to arrange an all wood show for the area with C.A.W.M.C. and I.O.W.M.C. Norm has asked for suggestions and ideas on the matter, "and if there is enough response we will try to arrange a show. We would like to know who would come and who would display, etc. Also we would have to arrange for financing by auction and raffle ticket sales. I feel that an all wood show would do more for the hobby, if open to the public, than a Friday morning breakfast that the working people in this area could not attend without taking time off work." Anyone interested write to Norm Belsten, 37 Neames Cres., Downsview, Ontario, M3L 1K8.

A MEMO FROM CLARENCE KRAMER

"Wooden nickel issued by Clarence C. Kramer for Canadian Numismatic Association Convention is for sale, \$1.00 P.P. Picture was in the August issue of Timber Talk. Write Kramer at Route 309, Drums, PA 18222, U.S.A."

WAY TO GO, SCOOP!

Congratulations are in order for one of our most active members, Louis H. "Scoop" Lewry of Moose Jaw, Saskatchewan, who was invested as a member of the Order of Canada at Ottawa in mid-October. The ceremony took place at Government House with Governor-General Edward Schreyer officiating. Afterwards, Scoop, along with his wife Jean, were guests at the Governor-General's table during the official banquet, where Scoop took the opportunity to present Prime Minister Pierre Trudeau with several of his wooden nickels. He also presented a complete set of his woods to Toban Schreyer, son of the Governor-General.

A former Mayor of Moose Jaw and former M.P., Scoop is currently a member of the Saskatchewan Local Government Board. Scoop is also Chairman of Coin Week Canada 1981.

Shown on the previous page is a copy of the certificate of appointment to the Order of Canada. Seen at the right is the medal presented to Scoop during the investiture ceremony.

Seen below is the wood Scoop issued during the Summer to commemorate his appointment to the Order.
